

A man and a woman are running on a city street. The man is in the foreground, wearing a black long-sleeved shirt and black pants. The woman is running alongside him, wearing a black sports bra and black leggings. They are both wearing white sneakers. The background shows a city street with graffiti on a wall and a building. The lighting is bright, suggesting it's daytime.

Meridio

Everyday Health

Helping teams work, play, and live better.

Meridio helps businesses provide affordable health access to their entire workforce.

WHY MERIDIO

Healthcare for Smart Teams

Meridio's Everyday Health pairs on-demand guidance with modern health plans that leverage built-in cost containment. From enrollment to onboarding to billing/administration and ongoing management, we do it all for you.

With Meridio, you'll get:

- #1 —————> **Affordable Health Stack**
Medical, Dental, Vision, and Voluntary plans with options to add coverage for spouse, children, and family members.
- #2 —————> **Team Hub**
Dedicated landing page featuring plan information, pricing details, network lookup, and guidance resources.
- #3 —————> **Expert Guidance**
Around-the-clock access to our customer care team and ongoing support for any questions or concerns.
- #4 —————> **Simplified Billing**
Direct billing options and hassle-free administration, setup, and management by the Meridio team.
