

# The Simplicity of Switching Benefits

At Meridio, we save you time and money when offering team benefits with our end to end administration, guidance, enrollment, and on-going support.

Serving over 40k households nation-wide, our licensed benefit guides help your employees find the coverage that fits their needs. ACA-compliant plans with guaranteed acceptance, composite rates in all 50 states, and expert advice allow you to skip the benefits bureaucracy.

Accessing affordable health coverage for your workforce has never been easier.
